The negroes with a few write leaders, who are seeking office. are arrayed against the white people men of English descent all the cenboth republicans and democrats. Give this negro element the power and where ration of Independence to learn. Let is the protection of life and property.

Daniel is reported to have said he would poor old Virginia will be dragged rather the school houses of the State through an abyss of pollution and were burned than dishenor should come misery that will make even her encation, he also said, and about this there gintan who ever has been a Democrat is no dispute, that he would rather his be deceived about the "debt question" own home should be burned than that any longer. The issue is, shall the Virginia should be disgraced by such State of Virginia continue to exist, or

THE Democrats placed no Valley man on the ticket, but they placed such men on it as Valley men will be proud to vote for. The Mahoneites placed a Valley man on their ticket, but it was a bitter radical that Valley men won't vote for. That's the difference. They would very willingly trade their Jue.

THE rand effort of the Mahoneites is to place Virginia under the domination of he ignorant negrees of Eastern Virginia. Carpet-bag rule and robbery of the -orst type is what is now threat tened Virginia by her enemies-Mahone and his negro allies.

The Baltimore Gazette very truther in the Legislature, executive, the judgeships and the county organizations, and Virgiola will be no place for white men or white women to live, The South Carolina carpet-bag days will darken the old Commonwealth.

In reletence to the support General enters into the very marrow of the question, and with the instincts of a native of Virgi in, says:

"Any true Virginian who can be inflaenced by men who have been accustomed to spit upon the Old Dominion and malign her citizens, must be in a state of asind not to be envied."
